Award-Winning Robotics Program

As we enter the 2023 baseball season, I'm so excited to see your hard work during the off season come to fruition. You are part of the legacy of one of the best baseball programs in the city. With that comes great privilege and great responsibility. Compete well. Show good sportsmanship. Be a great teammate. Support each other on and off the field. I'm looking forward to great things this spring! Thank you for representing our school well. I look forward to cheering you on this season. Go Eagles!

HEATHER WILKOWSKI
CHCA PRINCIPAL

The baseball program at Cincinnati Hills Christian Academy has a rich history of success, with over 500 wins, 17 MVC championships, 4 state final fours, and winning the state championship in 2021. The 2023 team is standing on the shoulders of greatness but is poised to make their own mark and carry on the tradition of excellence. We are extremely proud of our student-athletes that represent our school so well. I pray that this season is one in which we can honor God with our athletic abilities, our actions on the field, and our language to our teammates and opponents. "So whether you eat or drink or whatever you do, do it all to the glory of God" 1 Corinthians 10:31. Thank you to our coaching staff, the Champions Club, and our parent community who so effectively support our baseball program. Go Eagles!

RYAN BETSCHER
CHCA ATHLETIC DIRECTOR

DR. DEAN NICHOLAS
CHCA HEAD OF SCHOOL

As a life-long lover of baseball, I am excited for another season to begin! CHCA Baseball has a long history of excellence from Coach Gardiner onward. Every morning when I walk into my office, I see the State championship ring, reminding me of a very proud moment for our community. This team is the next representation of a very proud tradition. You stand on the shoulders of great alumni whose legacy you carry. You are also the example that young players will look up to as the players they hope to be one day. And for the many fans who will watch you play this year, you will represent not only your school but the name of Christ because of the CHCA on your jersey. Be a light. Be a great competitor. Be an Eagle. I look forward to a great season. Go EAGLES!

COACHING STAFF

TONY SCHULZ
HEAD VARSITY COACH

Coach Schulz began his coaching career at his alma mater Fairfield High School. After 3 years he made the big decision to leave Fairfield and take on the head coaching position at CHCA. He is in his 6th season as CHCA head coach. Under his coaching his teams have amassed a 117-31 record and 1 Ohio State Championship. He has numerous coaching honors including 2021 NFHS National Coach of the Year for Ohio, 2017, 2021 and 2022 Division 3 All-City Coach of the Year.

Off the field Coach Schulz is big Reds, Bengals and Bearcats fan. When not watching sports he enjoys playing chess and or watching Netflix with the family. He enjoys spending time with his wife Ruthie and their 2 kids, Luke and JJ.

BILLY POHL
ASSOCIATE HEAD COACH

Coach Pohl is in his fifth year coaching at CHCA. He is a Christian Studies teacher and also an assistant coach in the swimming program at CHCA. He is passionate about students growing as people and in their faith, using athletics as a vehicle for that growth.

KEVIN SAVAGE
VARSITY BENCH COACH

Coach Savage is beginning his ninth season coaching at CHCA, and his 17th season overall. He began coaching at Cincinnati Christian School in 2003, and was an assistant in both the junior varsity and varsity programs during his time at CCS. He joined the varsity staff at CHCA in 2014, and has been an assistant in both the junior varsity and varsity programs. He has had various roles, but for the 2023 season, he will be working pitchers, and overseeing the mental performance program for both teams. His mental performance approach is based on having a "present moment focus", a strong sense of self-awareness, understanding "controllables", and "seeing it in your mind first" mental imagery training.

Off the field, he is husband to Becky, and father to his grown children Nicole and Jake. He enjoys playing pickleball, hiking, puzzling, and gardening with Becky.

COACHING STAFF

TRISTAN LANA

Coach Lana is entering his fifth season coaching high school baseball, and his third at CHCA. He is a graduate of Milford High School, where he was a Varsity letterman in baseball and golf, and the University of Cincinnati, where he studied Architecture. His coaching philosophy embraces a “Let The Kids Play” attitude, but also establishes confidence within the mental game. He places a high value on putting in hard work when nobody’s watching and being a good teammate. Coach Lana’s favorite part about coaching is having the opportunity to make an impact on young men, whether it is on or off the baseball field. He is a proud husband to Autumn, and dad to Maverick (9 months). In his free time, Coach Lana enjoys hiking with his wife and two dogs, training for the next big race, and hitting the golf course.

ALEX MOFFITT
OUTFIELD COACH

Coach Moffitt is in his first year of coaching at CHCA. He is a graduate of CHCA and has the distinction of being the captain of the 2021 CHCA State Championship baseball team. Alex and his family are CHCA through and through. He and his 3 siblings are all “lifers” at CHCA. Coach Moffitt spent a year playing college baseball and his team were runners up in the Small College World Series. Alex is excited to give back and help mentor players in the program.

REX HENDRICKSON
HEAD JV COACH

Coach Hendrickson is entering his tenth season coaching at CHCA (the first 2 with Freshman and the last 8 with JV). He is a graduate of Princeton High School, where he played Varsity Baseball and Soccer, and the University of Cincinnati, where he studied medical imaging. Currently he works at Mercy Fairfield Hospital in Nuclear Medicine and MRI. As far as coaching goes, he has a mindset of “TEAM” first if you take care of the TEAM aspect then the individual success will take care of itself; teams can have great players, but the makeup of the entire team is what brings success. One of his favorite things about coaching is seeing how the boys develop from year to year as a ball player as well as how they grow into men. It’s always a treat when former players come back to visit; they are always welcome anytime. In his free time, he enjoys cheering on the Bearcats, Bengals, F.C. Cincinnati, the Reds; and getting out on the golf course as much as he can. Lastly he enjoys being the favorite uncle to his niece, Hannah and his nephew, Nolan.

Wings of Hope

Changing and Saving Lives Through the Power of Aviation

Wings of Hope is a global humanitarian nonprofit organization that has been helping the world's most vulnerable communities since 1962. As our name suggests, we use our wings in the U.S. to provide medical air transport at no cost to several hundred patients annually enabling them access to critical medical care not available near their home. Outside the US we partner with organizations in 10 countries to provide aviation assistance to get desperately needed medical attention to those in need in remote communities. Operating worldwide for 60 years, Wings of Hope is proud to have been inducted into The United States National Aviation Hall of Fame and recognized globally having twice been nominated for the Nobel Peace Prize.

Like Cincinnati Hills Christian Academy, we use our gifts to make a positive impact on our world. Visit our website to see how you can BE MORE!

DESIGN PROCESS

The process we use is transparent and we will deliver on our promises. Most people have had a bad experience with remodeling, or know someone who has. We are upfront about expectations, pricing, and treat clients the way we want to be treated.

Johnathan,

Watching you play baseball from Tee-Ball to High School Ball has been a joyful journey filled with memories, excitement, and thrilling moments. A Mother's Day weekend game tying 3 run homer; a Father's Day championship game homer; a Grand Slam at Cooperstown; and the ultimate victory ... an Ohio State High School Championship are but a few of those incredible memories.

The Lord has blessed you with athleticism, intelligence, and leadership skills ... combined with your incredible work ethic and the Lord's blessing ... your future success is unlimited. We love you and are proud of you!

With love,

Mom & Dad

Matthew 6:33 But seek first His kingdom and His righteousness, and all these things will be given to you as well.

Jeremiah 29:11 For I know the plans I have for you, declares the LORD, plans to prosper you and not to harm you, plans to give you hope and a future.
