## SUPERINTENDENT MATTHEW MILLER

As our mission statement says, everything WE do is designed to provide a future-ready, student-centered learning experience for every single child. From our youngest learners to our high schoolers, we are committed to providing an exceptional educational experience.

Our focus is on high academic achievement, exploration and opportunity, as well as individualized measures of success through careful preparation. This emphasis on outstanding instruction is evident at every grade level – with 91% of Lakota parents rating the district's quality of education as excellent or good.

We provide a safe and secure environment in which our students are able to grow academically, socially, emotionally and culturally. Personalized learning is achieved through tailoring the instructional environment to address the individual needs, skills and interests of the whole child.

Our students are prepared for their future success through innovative and engaged learning. Leading edge technology, including our 1:1 program in our secondary schools, enhances learning and elevates student readiness for one of the four Es after graduation: Enrollment in higher education, Enlistment in the military, Employment or Entrepreneurship.

All-day kindergarten and daily specials for through sixth grade were introduced at the beginning of the 2018-19 school year. This year we are excited to introduce the new Lakota Cyber Academy, a program of studies that will not only teach our students about cybersecurity, but will allow them to earn up to six industry credentials.

Such programs are possible because the district runs an effective and efficient day-to-day operational budget. We are committed to strong fiscal management practices that have put our finances in a stable operational outlook for the next several years. This is important as we continue to look at leveraging educational offerings for students in a fiscally responsible manner.

Moreover, we could not offer the best possible start for our students without the support of this community. We consider our parents, business leaders and local residents to be our partners. From parents staying involved through our multitude of parent engagement opportunities and corporations invested in our internship programs, to volunteers helping in our schools and Real World Learning opportunities in conjunction with our business partners, these community relationships complement the work our exceptional teachers are doing in the classroom.

Our district is very active on social media, including Twitter, Facebook and Instagram. Search for #WEareLakota to join the conversation and learn about the tremendous learning opportunities that are happening in classrooms throughout the district every day.

# TOM BOLDEN

## VARSITY FOOTBALL HEAD COACH

Tom Bolden is beginning his third season as the Firebird's head coach after having led Colerain to twelve consecutive Greater Miami Conference (GMC) league titles or co-titles. His teams have had one GMC loss in 93 games. His overall win percentage has been 85.3% at the varsity level while at the Cardinal helm. He joins the Lakota football family after gathering 26 seasons of high school coaching experience at Northwest High School and Colerain High schools combined. This included 11 trips to the state playoffs during his stint as the Cardinal Head coach from 2007 to 2018 with his 2018 team attaining Ohio Division 1 runner-up honors.

He himself was a standout prep player for Colerain as a three-year quarterback posting winning records in each season. He graduated from Colerain, class of 1988, after earning additional varsity letters in baseball. He continued his playing days in both football and baseball while at Wittenberg University before graduating with a Bachelor's degree in the class of 1993.

With the Bolden's, football has been a family project. Lisa Bolden will have been married to Tom 30 years this fall. They have four sons, Jake 31, Kyle 22 (on U.C. football roster) Luke 21 (on Miami of Ohio U. Football roster), and Mitchel 16 (Lakota West football roster)

He also serves Lakota West as a Student Affairs Coordinator.

## COACHES

### RICK COOPER VARSITY HEAD COACH

Rick Cooper became the Lakota West head coach in 2004. The position had been vacated by the unexpected death of his mentor, Steve Cummins the previous year. Shortly after Cummins passing Cooper resigned as the Sycamore high school head coach, a position he had held for three years, and returned to take leadership of the program that he had helped Cummins build.

Since his return, the Firebirds have played in six district tournament finals winning three. His 2004 team went on to win the regional championship. In 2011 Cooper's Firebirds won a GMC championship and he was named conference coach of the year.

Cooper had joined Cummin's staff at Lakota in 1992 as the junior varsity coach and served in that capacity for four years. He had an outstanding 75.1% winning percentage as the Junior Varsity coach capping that phase of his career with a 12-1-2 record in 1995. Cooper was then promoted to varsity assistant coach. He was Cummin's chief assistant with the 1996 Lakota Greater Miami Conference championship team, the 1997 Lakota West GMC Championship team, and the 2000 Lakota West team which made a run to the State Final Four.

Cooper left Lakota West in 2001 to accept the varsity head coaching position offered by his high school alma mater, Sycamore. The Aviators, coming off a down year in 2000, struggled to a 6-9-1 record and a tie for seventh in the GMC in Coopers first season at the helm. By his third season, Cooper had piloted the Aviators up to a tie for third in the GMC and a very respectable 11-4-4 overall record.

Cooper played soccer for four seasons at Sycamore high school, earning three varsity letters. After graduating from Sycamore in 1987 he earned a degree in education at Ball State University. While there he played four seasons on the college's club team. In his last two club seasons, he doubled as both head coach and player. In his student teaching year at Ball State, he began his high school coaching career serving as the varsity assistant for North Central High school. After graduation from Ball State in 1991, Cooper served as a boys coach for the Fairfeld soccer club. His past club coaching activities have also included work with both the Sycamore and Club Ohio Soccer clubs.

Cooper began teaching in the Lakota school district in the fall of 1992. He currently teaches gifted education classes at Liberty junior school.

## COACHES

**BRIGIT REDER**  
**VARSITY HEAD COACH**

Brigit became the Lakota West varsity head coach in 2016 and we have since seen two seasons of consistent improvement in the team's won/lost record, city ranking, and tournament advancement. The 2016 assignment was her first as a soccer coach but her background included a wealth of soccer playing experience at the high school, college, and professional level. She also built on two years experience as the Lakota West junior varsity girls basketball coach. Basketball was also a sport she excelled at while a student at West playing on a Firebird team that reached the Ohio D-1 State Final 4.

Brigit was an all-GMC second team soccer player as a Firebird sophomore, and then following a junior season hampered by injury, came back to be named All-GMC first team as a senior.

As a collegian, she was a four-year varsity starter at Ball State University where she set the Cardinals school record for minutes played in a career. From her defender position at BSU Reder still scored 11 goals in her collegiate career including a hat trick against Lamar University in 2011. She graduated from Ball State with academic honors and a BS degree in Special Education.

Upon leaving Ball State Brigit went on to play professional soccer for the Seattle Sounders FC, the Western New York Flash, and finally two seasons for Ostersund DFF in Ostersund, Sweden.
