# WELCOME

Dear Badin Family and Friends,

The 2021-22 athletic season is upon us and we are eager to get started. The 2020-21 sport seasons presented a lot of challenges – no student sections, limited tickets, masks at games, etc. However, the athletic department of Badin experienced great success. Our teams won numerous league titles and several district titles. We had athletes competing at the state level in different sports. This success proves that hard work and dedication does pay off. It also proved the grit and determination our student-athletes had in the face of adversity.

We are looking forward to our teams building on previous success and reaching great heights this year. The coaches and players have put in a tremendous amount of time and effort to prepare for the upcoming season. We encourage you to support all of our athletic programs this year. We know the athletes and coaches appreciate it. If you can't make it to a game, you can watch our Rams in action on various streaming options. We encourage you to view as many games as you can. Every week could present us with different challenges but we appreciate your understanding and cooperation during this difficult time. As a fan, we ask you to provide positive support for our athletes. Yelling at the officials and other teams is not appropriate and does not set a positive example for our student-athletes.

Not only do our athletes work hard in preparing for their athletic success, they also work hard in the classroom. At Badin, we stress the importance of being a student first. Every year many of our student athletes are rewarded for their academic success by the state. This is a huge accomplishment. Thank you for your support of Badin High School and of our athletic program. We couldn't do it without you. A very special thank you to the Catham Club, especially the officers, for the countless hours they put in to make sure our teams have the equipment and uniforms they need. We strongly encourage every parent to actively participate in the Catham Club. The money they raise goes directly to the student athletes.

Go Rams!!

God Bless all of you,

Brian Pendergest  
Principal
